THE COMMISSIONERS FOR THE PORT OF CALCUTTA Notification No. By 1

IN accordance with the provisions of sub-section (4) of section 126 of the Calcutta Port Act, 1880 (Bengal Act III of 1890), the following amendment made by the Commissioners for the Port of Calcutta to By-law No. 21A is

Draft Amended By-law No. 21A—"Escape" hatch.—
"The Master or Owner shall arrange to provide for 'escape' hatches with ladders to be certified as satisfactory by the Commissioners' Superintendent, Coal Dock, or his Assistant in every hold of a ship loading coal to facilitate the escape of the workers when employed in the holds in trimming coal as required under section 45 of the Indian Dock Labourers Regulation, 1948.

hereby published for general information:

(88-4)

Explanatory Nets.—The primary object of the revision of the By-law is to ensure the provision by the Masters or Owners of 'escape' hatches with ladders in the helds of coal ships. The revision will also authorise the Com-missioners to refuse loading berths to coal ships not pre-vided with 'escape' hatches and to dump coal from coal wagons consigned to a ship not provided with 'escape' hatches, the dumping charges incurred being realised from the Steamer Agents concerned,

No ship will be treated as ready to start the loading of coal or given a loading berth unless 'escape' hatches with ladders have been provided in every hold to the satisfaction of the Commissioners' Superintendent, Coal Dock, or his Assistant and certified by him in writing. Steamer Agents shall state specifically in their applications declaring the dates of readiness of their ships that arrangements for the provision of 'escape' hatches with ladders have been duly made. In case any wagons arrive at the Coal Dock for any vessel which has been refused a berth or has to leave a berth for inadequate provision of safety hatches and ladders all such wagons shall be dumped and all charges realised form the Steamer Agents concerned."

The draft amended By-law will be submitted to the Government of India for confirmation on the expiry of fourteen days after the first publication of this notification in the State Gasette and comments or criticisms, if any, with regard thereto received by the undersigned within that period will be considered.

P. C. MITTER.
